PALATIAL POOL SERVICES

Palatial Nexus

AI-Powered Technical Knowledge Engine

Palatial Nexus is our intelligent knowledge engine that answers complex pool-related questions in natural language. Powered by advanced semantic search across 2,800+ products and integrated with live operational data from the Gods Eye platform, it delivers precise chemical dosing calculations, equipment compatibility checks, warranty information, and service guidance — all in under two seconds.

Key Benefits

- Natural language queries answered in under 2 seconds
- Precise chemical dosing calculations based on your pool's exact data
- Equipment compatibility verification across all major brands
- Instant warranty and safety data sheet retrieval
- Context-aware responses using live pool telemetry data

Technical Specifications

Response Time	Sub-2 seconds median
Knowledge Base	2,800+ products and technical documents
AI Model	Fine-tuned Sentence-BERT with 768-dimension embeddings
Search Engine	Faiss Approximate Nearest Neighbour Index
Live Data	Real-time REST API integration with Gods Eye

Security	TLS 1.3, AES-256, OAuth 2.0, Australian data centres
