PALATIAL POOL SERVICES

Pool Area Shield

Intelligent Safety and Compliance Monitoring

Pool Area Shield is our comprehensive safety monitoring system that uses advanced sensing technology to monitor pool areas for compliance, safety hazards, and environmental conditions. From fence integrity and gate compliance to water quality alerts and occupancy monitoring, it provides continuous protection and peace of mind for pool owners and operators.

Key Benefits

- Continuous safety and compliance monitoring around the clock
- Fence and gate compliance verification
- Environmental hazard detection and alerting
- Occupancy monitoring for safety management
- Automated compliance reporting for regulatory requirements

Technical Specifications

Monitoring	Fence integrity, gate compliance, occupancy, environmental conditions
Sensors	Multi-modal sensing array (RF, environmental, structural)
Alerting	Real-time notifications via Comms Hub
Compliance	Australian pool safety standards and regulations
Integration	Gods Eye Command Centre, automated reporting

Privacy	No optical surveillance — RF and environmental sensing only
