PALATIAL POOL SERVICES

Product Knowledge Hub

Comprehensive Technical Product Library

The Product Knowledge Hub is our advanced digital library providing instant access to over 2,800 verified pool industry products. Every product entry includes detailed technical specifications, installation documentation, warranty details, compatibility matrices, and real-time pricing — enabling our technicians to identify the right part, verify compatibility, and source replacements in seconds.

Key Benefits

- Instant access to 2,800+ verified pool products
- Detailed specifications, manuals, and warranty information
- Compatibility checking across equipment configurations
- Smart replacement recommendations using similarity algorithms
- Real-time pricing and availability data

Technical Specifications

Catalogue Size	2,800+ verified products
Search	Part number, brand, natural language, and semantic queries
Data	Specifications, manuals, warranties, compatibility matrices, pricing
